

Influenza vaccinations in Kuopio in autumn 2021

Please come for influenza vaccination only if you are healthy. Our personnel use face masks during the vaccination. When coming for influenza vaccination, please, follow the Finnish Institute for Health and Welfare (THL) recommendation on the use of face mask.

Vaccination for adults, who belong to a risk group

Information about vaccination and groups of people, who get the influenza vaccination free of charge: www.kuopio.fi/kausirokotukset. Right for vaccination will be checked before the vaccination.
