

SUPPORT FOR SEEKING JOB

As our client, you will get our employer networks and group services in your use.

- We support your job search together with our employer network.
- We help you to update your cv and applications.
- When needed, we can also buy services during your employment process.
- If you have received unemployment benefit for more than 200 days, we admit employment support card to assist employment costs.

DEVELOPING YOUR KNOWLEDGE

We help you to update your skills to the requirements of today's work life.

- We work together with educational institutions and from us you get the latest news of education sector.
- You can have ForeAmmattiPlus system at your service.
- You get individual support and counselling in educational matters.
- If needed we can also support you in getting work cards.

PROMOTION OF WELLBEING AND ABILITY TO WORK

Employment service offers you paths to work life throughout work ability services.

- Our cooperation with Kela, healthcare, rehabilitation services and social office enables personal support in your situation.

- If you have health problems, you can test your ability to work at our survey service.
- As our client, you get nursing services free of charge.

- We can support your wellbeing by admitting wellbeing card, which entitles you to use the gyms and indoor swimming pools of the city of Kuopio.
