

International House Pop Up

While settling down in Kuopio, it is essential that you, as students, know what services are available to you in Kuopio. It is also crucial that local stakeholders collaborate, share information with each other, and collectively support you as students.

We want to encourage you to fall in love with Kuopio as much as we have and to consider staying here after graduation!

That is why, in collaboration with Savonia's International Services, International House Kuopio, and the Talent Hub Eastern Finland project, organizes two Pop-Up events this spring.

Welcome!

Local information about Kuopio, events, leisure opportunities, Navigaattori and International House services related to settling down and employment will be provided!

Did you already know about the Welcome to Kuopio event, aimed at all new Kuopio residents and held in English?
What about the Job Searching Club? Never heard of it?
Well, soon you will! Come for a chat!

Spring greetings,
Henni Kuikka
