

The application period for afternoon activities in school year 2024-2025 is from 1 to 21 February 2024

Afternoon activities in comprehensive school are arranged on weekdays in or near almost all primary schools for pupils in the 1st grade and special education. Available positions are offered to 2nd grade pupils. If there are more applicants than positions, the positions will be decided by drawing lots.

The groups in school year 2024-2025 will be formed on the basis of the applications received during the application period. The service providers and the locations of the groups will be confirmed after the application period ends. The decision will be made for one school year at a time. More detailed contact information on the groups will be notified to the custodians later.

The same application can be used for applying for the afternoon activities in the spring term 2024 (8 January to 1 June 2024).

Custodians have the possibility to apply for a payment relief by using a separate application, which must be accompanied by the necessary supporting documents.

Inquiries: Maria Louhimo, afternoon activities planner, tel. 044 718 4114, and Virve Varonen, afternoon activities secretary, tel. 044 718 1388, or iltapaivatoiminta@kuopio.fi (service e-mail for afternoon activities).

As of 1 May 2024, the service number is 044 718 1388, and the telephone service hours are Monday 13.00 to 15.00 and Tuesday to Friday 9.00 and 11.00.
